Friday 14<sup>th</sup> October 2016

**Adults present:** Mrs Sayer, Miss Proudman

**Pupils present:** Harvey G, Caoimhe, Elizabeth, Connor, Remea, Koray, Archie, Charlie, Jack, Molly, Harvey W

**Minutes taken:** Archie

### **Main points covered:**

- Amber has looked into the tennis and unfortunately it is for 11 to 16 year olds. However, we still really like the idea of the younger children and older children working together in some way.
- Indy shared his class' ideas, they would like to donate money to charity. Outside they would like to have obstacle courses. They would like some small toys to play with and an area for board games even when it isn't wet play.
- Year 6 would like an astro turf pitch to play on and more nets on the pitch.
- Archie explained that we have been asked to help the librarians. We need to ask our classes what books they would like.
- Mrs Sayer discussed creating an attendance policy. We talked about how we would need to model good attendance and what rewards there could be if children have good attendance.
- Some of our ideas were: If a class has best attendance they could make stuff or have a trip. Every half term the best class could get a treat like a chocolate bar/slush at break and an exclusive non uniform day.

### **Next session:**

- Feedback books that people would like for the library.

We will look again at **attendance**. Create action plan and share ideas with Mrs Young.
