

8 September 2017

Dear Parent/Carer of

Welcome to Year 1!

We hope that your child is settling in well to Year 1. We are enjoying getting to know them and hearing all about their holidays! We appreciate that there is much less contact with your child's class teacher this year. If you wish to speak to the class teacher, there are drop-in sessions available; these are on a Thursday after school. You can also email on the following email addresses -

Miss Shaw - shawh@leighton.cheshire.sch.uk

Miss Davies - daviese@leighton.cheshire.sch.uk

In Year 1 we ask for a contribution towards fruit snack. This is £10 per half term and this can be handed to your child's class teacher.

Just a reminder that PE will take place on Thursday morning, so please ensure your child has a full, named PE in school for Thursday.

Can we please remind you that every child must achieve a Mathematics certificate each week in addition to reading each night. Children will also begin to be given spellings based on the sound that they are learning in phonics. Spelling tests will take place on a Friday.

Thank you for your support

Yours sincerely

Miss Shaw and Miss Davies
