

Have you downloaded the 'School Gateway' app yet?

On 30th October, we will become a cashless school. This means that all payments made to the school must be done online using our cashless service.

Advantages for you:

- Payments can be made at any time without the need to visit school
- No cash is changing hands, avoiding it being lost in transit via the child
- You can make payments in advance to ensure your child's account is always up to date
- You will be notified via text when your account is owing – giving you convenient reminders straight to your phone

If you are struggling to use the gateway system, please see one of our office staff who will be happy to talk you through it.

From 30.10.17, our staff will no longer take in cash or cheques from anyone so please ensure you are set up and ready to avoid disappointment.

Thank you for your continued support.
