Friday 15th September 2017

Important dates for your diary

Dear Parents/Carers of

Thank you for all of your support during an already busy start to Reception. Below are the dates of some opportunities that are on offer this half-term.

Phonics and Maths 'Open' Session – Wednesday 27th September 3.30pm - 4.00pm

We would like to invite you into your child's classroom to see the range of resources that we use to teach your child phonics and maths. This is a great opportunity to ask your class teachers and teaching assistants any questions that you may have about these areas of learning and will hopefully give you some ideas to take away with you. This is an informal session and children are welcome.

Owl Crafting – Friday 20th October 2.30pm - 3.15pm

To finish our owl topic with a hoot (ahem!), we would like to invite all reception parents in to your child's classroom to carry out an owl crafting session with your child. We shall provide the resources needed and a few ideas for you to have a go at. We will even let you glimpse the children's Literacy books so you can see their first few weeks of work and of course, all that we have done about owls. Not available on this day? Not a problem, teachers and teaching assistants are on hand to work with children whose parents cannot make this session or, if you would prefer, please let your class teacher know if you would like your child to work with their friend's parents (please agree this with other parents beforehand!).

Many thanks,

Miss Kitty Bishop
