

FUNDING FOR PRIMARY SCHOOL PE and SCHOOL SPORTS 2017-18

The aim of this funding is to improve the Physical Education (PE) and Sports programmes offered by primary schools, and is provided jointly by various governmental departments, including Education, Health and Culture, and Media and Sport. Although the funding will be allocated to primary school head teachers, it will be 'ring fenced' – this means that it can only be spent specifically on PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, though how they do this remains their decision.

This is how Leighton Academy plans to use the funding in 2017-18 (to be confirmed once further guidance is released in October):

- Hiring specialist qualified sports coaches to work with pupils across the school and with the staff for CPD
- Hiring a part time PE apprentice to work alongside the PE instructor
- Paying for qualified sports coaches to provide after school clubs to develop skills in specific sports as well as providing spaces for children at these clubs both in term time and in the holidays
- Paying for professional development opportunities for teachers in PE and sport
- Increasing pupils participation in inter and intra school sports competitions through running community based events
- Purchasing quality resources to support the delivery of school sports clubs and P.E lessons which will also mean that we can run 'active' clubs for whole families in all weather conditions
- supporting and engaging the least active children through new or additional Change4Life clubs

For the academic year 2017-18, Leighton Academy will be allocated £20,800 of sports funding and this is topped up by funds allocated to PE and school sport within the academy budget. Below you will find a full breakdown of how the sports funding will be allocated and the potential impact of this.

Objective	Action	Cost	How impact will be shown
To improve the quality of P.E. teaching that pupils receive	A qualified sports coach employed 2 days a week to work alongside the PE Instructor and class teachers in order to enhance the delivery of PE	£5,700 per year	Through an improved quality of deliver of PE – checked on monitoring visits
CPD for school staff	Level 1 in school swimming for 3 class teachers Level 2 in school swimming for 2 teachers CPD training for one class teacher in each year group (identified areas for development)	£300 £1400 £297 10 courses at £75 - £750	For all staff to be confident in their delivery of high quality PE (to be monitored through lesson observations)
Further develop the links within	Meeting with the Crewe & Nantwich SSCO to discuss	£500 to be part of the CN Sports Partnership	Aim to show an increase in

<p>the local School Sports Partnership including SSCo support to maintain Sainsbury's School Games Mark Gold and work towards Platinum in 2018</p> <p>To improve the P.E experience for all young people</p> <p>To increase physical activity opportunities for young people</p>	<p>priorities for the year</p> <p>Enrolment in sporting opportunities throughout the year</p> <p>Entrances made to inter school sports competitions</p> <p>Transport costs to sporting events for larger groups (ie. KS1 intra agility festival for y2)</p>	<p>£85 to participate in Football league</p> <p>Transport for 90 children each term for Y2 - £285</p>	<p>participation in competitions, and also an increase in the sports we take part in</p> <p>Aim to maintain standards and receive gold mark for a further year</p>
<p>To enable young people to enjoy a range of school sport outside of the curriculum</p>	<p>Increased the number of after school clubs available for pupils to participate in</p>		<p>To be analysed once clubs data is complete</p>
<p>To further develop the equipment available to deliver high-quality P.E lessons</p>	<p>Purchasing of equipment to deliver whole class high quality PE</p> <p>Purchasing of equipment to ensure that there is an increase in active participation</p>	<p>Gymnastics matting to be used in a range of lessons - £2000</p> <p>New football nets to ensure higher levels of participation - £600</p> <p>A contribution to all weather 'Leighton Laps' course so activities can take place all year round – figures TBC</p>	<p>All pupils are able to be more physically active in lessons as they have access to a lot for equipment in their lessons and can participate in an increased number of team games</p>
<p>supporting and engaging the least active children through new or additional Change4Life clubs</p>	<p>Purchasing training for a 'Change4Life' group of children in KS2 that can run activities and raise initiative for KS1 children</p>	<p>Cost of training TBC</p>	<p>Less active pupils become more active and talk positively about their experience in engaging in physical activity</p>
<p>To increase the physical activity of pupils during break and lunchtimes</p> <p>To meet targets in the government's recent childhood obesity strategy to increase levels of physical activity</p>	<p>Purchase of equipment designated for break and lunchtime physical activity participation</p> <p>Training for play leaders to organise games at lunchtime for reception and Y1</p> <p>Further training in play based active games for midday supervisors</p> <p>Employment of a sports coach on KS2 every lunchtime to work with identified children</p>	<p>Equipment £500</p> <p>Training for play leaders TBC</p> <p>Sports coach £1500 for one term</p>	<p>Behaviour incidents to reduce during lunchtime</p> <p>Social groupings develop</p> <p>Greater interaction with midday supervisors during lunchtime playing with the children</p> <p>An increase in physical activity levels for less active children</p>
