SATs Revision Books

Dear Parent/Carer of

As you are already aware this is an important year for your child as he/she prepares for their SATs tests and their transition to secondary school. As a part of the revision process, we have decided to use CGP revision books for Literacy and Maths. The books are designed to guide your child through activities that will reinforce and extend their knowledge of these curriculum areas.

The cost of the books is £5.00. We strongly recommend that your child has the opportunity to use them. Homework will be set on a Monday for a Friday completion.

In order for your child to purchase the SATs revision books, **please log on to School Gateway** <https://login.schoolgateway.com/0/auth/login> or use the School Gateway App **and make your payment.**

This is a voluntary contribution, but your purchase represents a saving of nearly 100% on the shop prices. If you require further information, please feel free to contact us.

Kind regards,

Mr Emes & Mr Jones
Year 6 Teachers
