LEIGHTON ACADEMY

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2017

The trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2016 to 31 August 2017. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The trust operates a primary academy in Cheshire East and has a pupil capacity of 420 in main school and 120 in nursery. The academy had a roll of 484 in main school and 120 in nursery in the school census in May 2017.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The trustees of Leighton Academy are also the directors of the charitable company for the purposes of company law. The charitable company is known as Leighton Academy.

Details of the trustees who served during the year are included in the reference and administrative details on the page above. Details of the registered office address can be found on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10*, for the debts and liabilities contracted before they ceased to be a member.

*As required in the academy trust's funding agreement/memorandum and articles of association.

Trustees' indemnities

In accordance with normal commercial practice, the academy trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. The insurance provides cover up to £1,000,000 on any one claim and the cost of this insurance is included in the total insurance cost.

Method of recruitment and appointment or election of trustees

The members of the academy trust shall comprise:

- the signatories to the memorandum;
- the chair of trustees; and
- any person appointed under article 16*

*The members agree by passing a special resolution in writing to appoint such additional members as they think fit and may agree by passing a special resolution in writing to remove any such additional members, provided that such appointment or removal is in the interests of the academy trust.

Any new trustee would be appointed based on an assessment of the member's skill set.

Policies and procedures adopted for the induction and training of trustees

Trustees have access to a comprehensive training package and receive a full induction in line with the governor induction document.

LEIGHTON ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Organisational structure

Joanna Young – Principal	
Samantha Brennand – Vice Principal	
	Melanie Jenkins – Nursery Manager
Academy Directors	
Samantha Brennand	Andrea Millar - Member
Di Davy	Helen Morris - Member
Stephen Hall - Member	Diane Ridings
Susan Hawkes	Marie Speake
Nicola Kay	James Sweeney
Amanda Manning	Joanna Young

The principal is the accounting officer. All trustees delegate the day to day running of the academy to the board of trustees (with the exception of appointing two members of the board under article 16). The board of trustees delegates certain responsibilities to the teaching and learning committee and the finance and resource committee.

Arrangements for setting pay and remuneration of key management personnel

Senior leadership pay is set using our appraisal and performance management system alongside the Pay Policy. Principal performance management is undertaken using 2 to 3 governors alongside an independent reviewing officer who visits the academy on a regular basis and meets with governors to discuss performance. The governing body will calculate the head teacher group size each September and determine the pay range within the parameters of the current STPCD. The pay range for the principal is currently group 4 £53,712 - £73,144 (L14 – L27).

Related parties and other connected charities and organisations

There are no organisations connected to the academy.

Objectives and activities

Objects and aims

The objects of the academy as laid down in the articles of association are to advance, for the public benefit, education in the United Kingdom, in particular by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

Objectives, strategies and activities

At Leighton Academy we aim to:

Make Learning Real and Unforgettable

To this end the activities provide:

Care and prepare: we will support and care for all our pupils, whatever their needs, and prepare them for life beyond Leighton. Our pupils must learn the value of money, work, relationships and society. We aim to show them how society functions and what role they can play in the future.

Develop skills for life: The key skills of reading, writing, technology and maths are vital achievements for our pupils. However we also aim to nurture their good health, resilience, common sense, confidence and personality. Our pupils must learn to be team players, have a go at new challenges and find the thing that fires them. This could be art, or music, dance or football, theatre or maths. There's a chance for everyone to shine.

Offer opportunities and broaden horizons: We aim to give all children opportunities to learn new skills and subjects that may be unfamiliar to them. We aim to introduce them to new experiences that their families might not be able to - outside the usual curriculum. By doing this we can fire imagination and build aspiration for our children. We can foster a love of learning and an enquiring mind.

LEIGHTON ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Provide the most innovative teaching: great teaching gives our pupils the best opportunity to learn and grow. We aim to support our staff to aspire to be the very best teachers they can be and encourage them to innovate and embrace new technologies and techniques to help them.

Build a community to be proud of: Our school is, and always has been, at the heart of our community. We aim to build on this relationship to grow and develop. Our children will be encouraged to be respectful, polite and tolerant- in school and in their out- of- school activities. In reaching out to the wider community we will enhance our relationships with key stakeholders for our academy.

Public benefit

The trustees confirm they have referred to the guidance contained in the Charity Commission's guidance on public benefit.

Strategic report

Achievements and performance

We pride ourselves on our high standards across all areas including our continued good to outstanding overall effectiveness. A Teaching & Learning Review undertaken by a trained Ofsted inspector graded the academy as 'Good' with many Outstanding features.

Pupil outcomes and achievements: Key Stage 2

Headline data for 2017

62% of children reached expected standard in reading, writing and mathematics

79% of children reached expected standard in reading

71% of children reached expected standard in writing

86% of children reached expected standard + in mathematics

Progress score

Reading - -0.5

Mathematics - -0.1

Writing - -5.8

Headline Data for 2016

46% of children reached expected standard in reading, writing and mathematics

67% of children reached expected standard in reading

54% of children reached expected standard in writing

74% of children reached expected standard + in mathematics

Progress score

Reading - -1.5

Mathematics - -1.6

Writing - -6.2

The academy will continue striving to improve the levels of progress achieved by all the children. The board of trustees monitors the Academy Development Plan and Self Evaluation to ensure Ofsted outstanding criteria is maintained.

Key performance indicators

Analysis of pupil data and test results confirm that the board of trustees has utilised its financial resources, including the Pupil Premium Grant, to ensure that all children meet their full potential. The academy continues to be oversubscribed with two bulge years of 90 pupils.

Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

LEIGHTON ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Financial review

Most of the academy's income is obtained from the ESFA in the form of recurrent grants.

During the year ended 31 August 2017, total expenditure of £2,447,000 was covered by recurrent grant funding from the ESFA together with incoming resources. The excess of income over expenditure (excluding actuarial gains and losses on defined benefit pension schemes) for the year was £32,000.

At 31 August 2017 the net book value of fixed assets was £1,625,000 and movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and the associated support services to the children of the academy.

Reserves policy

The trustees review the reserve levels of the academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. This will ensure sufficient funds to cover unexpected emergencies and urgent maintenance. The trustees have invested a fixed amount in a higher interest account to enable future building projects. Approximately £150,000 has been reserved for expanding office and staffing space which should be completed by Autumn 2017.

The trustees have agreed that the academy will aim to hold a reserve of no more than 8% of total income with identified projects for expenditure of any reserve above this.

Investment policy

In accordance with our Treasury Management Policy monies surplus to the working requirements shall be invested in term deposits with Lloyds Bank. The academy will not take out any long term investments until a reliable cash flow pattern has been established, monies will only be paid into term deposits not exceeding 6 months.

Principal risks and uncertainties

A risk register which is maintained at the academy is reviewed at least termly by the finance and resource committee and more frequently where necessary. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the academy and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

Outlined below is a description of the principal risk factors that may affect the academy. Not all the factors are within the academy's control. Other factors besides those listed below may also adversely affect the academy.

1. Government funding

The academy has considerable reliance on continued government funding through the ESFA. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

This risk is mitigated in a number of ways:

- By ensuring the academy is rigorous in delivering high quality education and training.
- Considerable focus and investment is placed on maintaining and managing key relationships with the ESFA.

2. Maintain adequate funding of pension liabilities

The financial statements report the share of the Local Government Pension Scheme deficit on the academy's balance sheet in line with the requirements of Financial Reporting Standard 102. A deficit has been recognised at 31 August 2017.

Plans for future periods

The board of trustees has the following priorities set for future development:

- Improve KS2 progress measures.
- Undertake due diligence process on LFLP in anticipation of joining their MAT following contentious Ofsted outcome.
- School expansion.

Funds held as custodian trustee on behalf of others

Leighton Academy is not a custodian trustee on behalf of others.

LEIGHTON ACADEMY

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Auditor

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Under Section 487(2) of the Companies Act 2006 Haines Watts will be deemed to have been reappointed as auditor 28 days after these financial statements were sent to members or 28 days after the latest date prescribed for filing accounts with the registrar, whichever is earlier.

This trustees' report, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on and signed on the board's behalf by:

.....
Helen Morris
Chair of trustees

LEIGHTON ACADEMY

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2017

Scope of responsibility

As trustees we acknowledge we have overall responsibility for ensuring that Leighton Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the principal as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Leighton Academy and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the trustees' report and in the statement of trustees' responsibilities. The board of trustees has formally met 3 times during the year. Attendance during the year at meetings of the board of trustees was as follows:

Trustee	Meetings Attended	Out of a Possible
S Brennand (Vice principal)	3	3
D Davy	2	3
S Hall (Vice chair)	3	3
S Hawkes	3	3
N Kay	3	3
A Manning	3	3
A Millar	1	3
H Morris (Chair)	3	3
D Ridings	3	3
M Speake (Staff)	2	3
J Sweeney	1	3
J Young (Principal)	3	3

The board of trustees goes through an annual exercise to make sure it has people with the right skills to carry out its responsibilities. Individual trustees take on responsibilities for specific areas of the board of trustees' work (eg special educational needs, health and safety, safeguarding) and all trustees undertake training. The board of trustees subscribes to the training programme offered by Cheshire East Council and undertakes training from external providers. Succession planning is an important consideration particularly where parent trustees are concerned.

Attendance record of trustees

We have never cancelled a meeting because it was not 'quorate' (the number of trustees needed to ensure that decisions are legal) and trustees make frequent visits to the school. Monitoring reports are shared with all trustees and discussed at meetings. All meetings are planned well in advance to ensure good attendance.

What the trustees have been doing

Trustees have been holding the SLT to account regarding the progress children have made since the new curriculum was introduced. They understand the continuing recognised lack of integrity of historic KS1 assessment judgements and are committed to supporting further interventions to ensure progress moves to above national levels. This has resulted in improved outcomes across the board and writing remains a focus with predicted outcomes for 2018 much improved.

Funds have been committed from reserves to expand the staff facilities with wellbeing as a priority. This work will be completed in November 2017. Trustees have also been exploring opportunities to join or set up a multi academy trust. Due diligence on a number of options has been completed.

Finance & resource committee

The finance and resources committee looks at the finances of the school (including staffing and pay awards) as well as the maintenance and development of the school buildings and grounds.

LEIGHTON ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Review of value for money

As accounting officer the principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided good value for money during the academic year and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

At Key Stage 2 the results were above national standards. The school has self evaluated and produced a School Development Plan to ensure progress against new curriculum requirements.

The targeted interventions for specific cohorts of children have been extended from those involving literacy to mathematics. All interventions emerging from Reading Recovery and the training for mathematics have been directed more effectively at specific cohorts of children with very good outcomes.

Emotional health and wellbeing has been a focus for the academy this year. The school is now an exemplar model for the new Cheshire East Emotionally Healthy School pilot and supports other schools to this effect.

The Pupil Premium fund is tracked in detail and impact measured as an academy and for each child.

A significant investment in specialist teachers including MFL, music, art, DT and PE has been made to ensure the children have access to a broad and balanced curriculum with a focus around STEM subjects and basic skills.

Involvement in supporting other schools has been a priority for the trust through informal and formal links – all of this activity in advising and supporting other schools is pro bono work.

We continue to make savings in waste disposal, grounds maintenance and energy through the installation of solar panels and an investment in a new boiler system.

Improved asset management through an electronic system has ensured a more systematic approach to asset replacement.

All systems for managing finance – along with those for ensuring a sufficiency of financial control – are being scrutinised by external and internal auditors. Nevertheless, the opportunity presented to the trust to manage even more stringently and effectively is leading to a rigorous process of self-review and audit.

The academy is in discussions with the local authority with a view to further expansion following 2 years of accepting 30 extra pupils into reception, making the intake 90 and increasing pupil numbers by over 14% to 484.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Leighton Academy for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

LEIGHTON ACADEMY

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular reviews by the finance and resources committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and decided to appoint Baker Tilly as responsible officer for financial year 2016 – 2017.

The responsible officer's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial and reporting systems. The responsible officer reports to the board of trustees, through the finance and resources committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

Review of effectiveness

As accounting officer the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the responsible officer;
- the work of the external auditor;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance and resources committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the board of trustees on and signed on its behalf by:

.....
Helen Morris
Chair of trustees

.....
Joanna Young
Accounting officer

LEIGHTON ACADEMY

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2017

As accounting officer of Leighton Academy I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

.....
Joanna Young
Accounting officer

Dated:

LEIGHTON ACADEMY

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2017

The trustees (who also act as governors for Leighton Academy and are also the directors of Leighton Academy for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the board of trustees on and signed on its behalf by:

.....
Helen Morris
Chair of trustees

LEIGHTON ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEIGHTON ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Opinion

We have audited the accounts of Leighton Academy for the year ended 31 August 2017 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the academy trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the accounts and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

LEIGHTON ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEIGHTON ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

LEIGHTON ACADEMY

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEIGHTON ACADEMY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

LEIGHTON ACADEMY

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO LEIGHTON ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2017

In accordance with the terms of our engagement letter dated 7 August 2014 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Leighton Academy during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Leighton Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Leighton Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Leighton Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Leighton Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Leighton Academy's funding agreement with the Secretary of State for Education dated 29 May 2013 and the Academies Financial Handbook, extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

LEIGHTON ACADEMY

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO LEIGHTON ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

The work undertaken to draw to our conclusion includes:

- We have confirmed that the activities conform to the academy trust's framework of authorities. As identified by review of minutes, management accounts, discussion with the accounting officer and other key management personnel.
- We have carried out an analytical review as part of the consideration of whether general activities of the academy trust are within the academy trust's framework of authorities.
- We have considered the evidence supporting the accounting officer's statement on regularity, propriety and compliance and have evaluated the general control environment of the academy trust and extended the procedures required for financial statements to include regularity.
- We have assessed and tested a sample of the specific control activities over regularity of a particular activity. In performing sample testing of expenditure, we have considered whether the activity is permissible within the academy trust's framework of authorities. We confirm that each item tested has been appropriately authorised in accordance with the academy trust's delegated authorities and that the internal delegations have been approved by the board of trustees, and conform to the limits set by the Department for Education.
- Formal representations have been obtained from the board of trustees and the accounting officer acknowledging their responsibilities including disclosing all non-compliance with laws and regulations specific to the authorising framework, access to accounting records, provision of information and explanations, and other matters where direct evidence is not available.
- In performing sample testing of expenditure, we have reviewed against specific terms of grant funding within the funding agreement. We have reviewed the list of suppliers and have considered whether supplies are from related parties and have reviewed minutes for evidence of declaration of interest, and whether or not there was involvement in the decision to order from this supplier.
- We have performed sample testing of other income and tested whether activities are permitted within the academy trust's charitable objects

Conclusion

In the course of our work nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Leighton Academy meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants receivable

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Leasehold land	nil
Leasehold buildings	Straight line over 50 years
Computer equipment	Straight line over 3 years
Fixtures, fittings & equipment	Straight line over 4 years

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leasing and hire purchase commitments

Rentals payable under operating leases are charged on a straight line basis over the period of the lease.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Stock

Stock is valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal. Provision is made for obsolete and slow moving stock.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

1.10 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 20, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills Funding Agency where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education and Skills Funding Agency/Department for Education.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

3 Donations and capital grants

	Unrestricted funds £000	Restricted funds £000	Total 2017 £000	Total 2016 £000
Capital grants	-	10	10	10
Other donations	6	-	6	7
	<u>6</u>	<u>10</u>	<u>16</u>	<u>17</u>

The income from donations and capital grants was £16,000 (2016: £17,000) of which £6,000 was unrestricted (2016: £7,000) and £10,000 was restricted fixed assets (2016: £10,000).

4 Funding for the academy trust's educational operations

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

4 Funding for the academy trust's educational operations

The income from funding for educational operations was £2,383,000 (2016: £2,368,000) of which £2,383,000 was restricted (2016: £2,368,000).

The academy trust received £252,000 from the local authority in the year, being £24,000 for HNB funding and £228,000 for nursery funding,

There were no unfulfilled conditions or other contingencies relating to the grants in the year.

5 Other trading activities

	Unrestricted funds £000	Restricted funds £000	Total 2017 £000	Total 2016 £000
Hire of facilities	4	-	4	4
Catering income	31	-	31	29
Other income	44	-	44	54
	<u>79</u>	<u>-</u>	<u>79</u>	<u>87</u>

The income from other trading activities was £79,000 (2016: £87,000) of which £79,000 was unrestricted (2016: £87,000).

6 Investment income

	Unrestricted funds £000	Restricted funds £000	Total 2017 £000	Total 2016 £000
Short term deposits	<u>1</u>	<u>-</u>	<u>1</u>	<u>1</u>

The income from funding for investment income was £1,000 (2016: £1,000) of which £1,000 was unrestricted (2016: £1,000).

7 Expenditure

	Staff costs £000	Premises & equipment £000	Other costs £000	Total 2017 £000	Total 2016 £000
Expenditure on raising funds	-	-	5	5	6
Academy's educational operations					
- Direct costs	1,443	35	241	1,719	1,726

Staff costs	1,795	1,681
Supply staff costs	3	8
Staff development and other staff costs	25	20
	<u> </u>	<u> </u>
Total staff expenditure	<u>1,823</u>	<u>1,709</u>

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2017 Number	2016 Number
Teachers	20	21
Administration and support	40	40
Management	3	3
	<u> </u>	<u> </u>
	<u>63</u>	<u>64</u>

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2017 Number	2016 Number
£60,001 - £70,000	1	-
	<u> </u>	<u> </u>

Key management personnel

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £182,000 (2016: £160,000).

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

10 Trustees' remuneration and expenses

The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff, and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the academy trust in respect of their role as trustees.

The value of trustees' remuneration was as follows:

J Young (principal and trustee):		
Remuneration	£60,001 - £65,000	(2016: £55,001 - £60,000)
Employers' pension contribution	£10,001 - £15,000	(2016: £5,001 - £10,000)
S Brennand(staff and trustee):		
Remuneration	£50,001 - £55,000	(2016: £45,001 - £50,000)
Employers' pension contribution	£5,001 - £10,000	(2016: £5,001 - £10,000)
M Speake (staff and trustee):		
Remuneration	£35,001 - £40,000	(2016: £35,001 - £40,000)
Employers' pension contribution	£5,001 - £10,000	(2016: £5,001 - £10,000)

During the year ended 31 August 2017, there were no travel and subsistence expenses reimbursed or paid directly to the trustees.

Other related party transactions involving the trustees are set out within the related parties note.

11 Trustees and officers insurance

In accordance with normal commercial practice, the academy trust has purchased insurance to protect trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. The insurance provides cover up to £1,000,000 on any one claim and the cost of this insurance is included in the total insurance cost.

Total funds	<u>705</u>	<u>2,479</u>	<u>(2,447)</u>	<u>106</u>	<u>843</u>

The specific purposes for which the funds are to be applied are as follows:

Restricted general funds are those resources that have been designated restricted by the grant provider in meeting the objectives of the academy.

Restricted fixed asset funds are those funds relating to the long term assets of the academy used in delivering the objectives of the academy.

Unrestricted funds are those funds to which the board of trustees may use in the pursuance of the academy's objectives and are expendable at the discretion of the trustees.

The transfer from General Annual Grant restricted general fund to restricted fixed asset funds is to meet the cost of fixed asset additions for which there were no specific capital funding in the year.

Under the funding agreement with the Secretary of State, the academy was no subject to a limit on the amount of GAG that it could carry forward at 31 August 2017.

20 Pensions and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Cheshire Pension Fund. Both are defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £32,000 (2016: £30,000) were payable to the schemes at 31 August 2017 and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

LEIGHTON ACADEMY

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

20 Pensions and similar obligations

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%))
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to the TPS in the period amounted to £141,000 (2016: £136,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are yet to be decided. The estimated value of employer contributions for the forthcoming year is £132,000.

The LGPS obligation relates to the employees of the academy trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the scheme in the period. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy trust at the balance sheet date.

24 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which trustees have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures.

No related party transactions took place in the period of account other than certain trustees' remuneration and expenses already disclosed in note 10.

25 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 as stated in memorandum and articles of association for the debts and liabilities contracted before he or she ceases to be a member.
