

Leighton Nursery Weekly Update

Friday 13th September 2019

Nursery Manager's message:

It has been great to welcome our September starters and our existing children back to nursery. Everyone is settling in well now and our older ones have been fantastic role models for our new little ones. As you may have noticed, we have made lots of changes to our nursery environment to keep it fresh and exciting for everyone. Do remember to your child's Earwig page to see what they have been up to!

Mrs Jenkins

Well Done!

Stars of
the
Week

Well done to all our nursery children for achieving such a good start to the year!

Our part time pre-schoolers and two year olds have been listening to the story 'Brown Bear, Brown Bear, What do you see? This has led to lots of fun activities about colour. This week we have been focusing on the colour red, tasting red fruit like apples and strawberries and using a variety of materials to create red collages.

Thirty Hours Children

Our full time pre-schoolers have been busy exploring our new activities indoors and out. They have particularly enjoyed taking on the role of a fire fighter, donning 'hi-vis' tabards and helmets and making 'hosepipes' to put out imaginary fires. We have also used iPad's and information books to find out more about the work of a fire fighter.

Reminders – Please can parents ensure that children’s personal belongings such as water bottles, bags and coats are clearly marked with their name.

We still have availability for both full and part time pre-schoolers and one or two places for 2 year olds. If you are interested in a place for your child please email admin@leighton.cheshire.sch.uk or visit www.leightonacademy.com/admissions for more information.
